

GROUP_8

PROJECT MARKS

Following are the results of your final project marking.

The project was tested in Android Studio with the following setup:

Android studio version: Ladybug feature drop 2024.2.2

Compile SDK: 35

Min SDK: 24

Target SDK: 35

Java Version: 11

Gradle plugin version: 8.8

Gradle version: 8.10.2

After cloning a fresh copy of your repository, features were tested in order that they appear in the "Done" column on your group's Trello board. Testing terminated when a feature that failed to pass the "happy path" was encountered.

Each feature was marked as follows:

zero (0)--Missing, or not graded due to earlier failures.

5 pts--Not really: present, but fails happy path.

6.5 pts--Somewhat: fails boundary values or devious input.

8 pts--Mostly: no failures, but not ready for Play Store.

9.5 pts--Definitely: no failures, could be published as-is on Play Store.

Extra features were considered only if all other features achieved "Mostly." Additionally, extra features only result in extra credit if they are marked "Mostly."

Section/+ Component		Mark	Score	Possible
Marks				
+ Feature 1:		Mostly	8	of 10
	Splash screen and app logo. to accept notifications?			
+ Feature 2:		Mostly	8	of 10
	Main menu and start button.			
+ Feature 3:		Mostly	8	of 10

Quiz questions and answers.

+	Feature 4:	Mostly	8	of	10
	Hint before finalizing answer.				
	This caused the app to hang the first time I tried it, when I requested a hint after answering the question. I was not able to replicate this however, so might be a bug in the emulator.				
+	Feature 5:	Mostly	8	of	10
	Display multiple choice questions.				
	This seems to be a duplicate of feature 3.				
+	Feature 6:	Mostly	8	of	10
	Timer for each question.				
	Good. It would be nice to be able to set the timer length or disable it altogether, perhaps in some kind of instructor mode.				
+	Feature 7:	Mostly	8	of	10
	Show end result.				
+	Feature 8:	Mostly	8	of	10
	Add percentage calculation.				
	This is really part of feature 7.				
+	Feature 9:	Mostly	8	of	10
	Exit button during quiz.				
+	Feature 10:	Not graded	0	of	10
	Navigation system.				
	I don't understand this feature. Not graded due to earlier failures.				
+	Feature 11:	Mostly	8	of	10
	True or false section.				
+	Feature 12:	Mostly	8	of	10
	Settings and reminders. (Why isn't this feature on your Trello board?)				
Marks net score:			88	of	120
Total net score:			88	of	120 = 73%
